

New Home Family,

This reading plan includes only three parts of the Bible—the Psalms, the Proverbs, and the New Testament.

Also included in this reading plan are extra grace days at the end of each month. These spare days allow many of us time to catch up or get ahead in our reading. They also allow us more time to study selected passages.

Since there are only three parts of the Bible, each section is scheduled to be read more than once. We will read the Psalms and the New Testament twice. We will read the book of Proverbs each month.

I look forward to reading and studying God's Word with you.

In HIS Service,

Pastor T
